Edge to Edge Shallow Divan

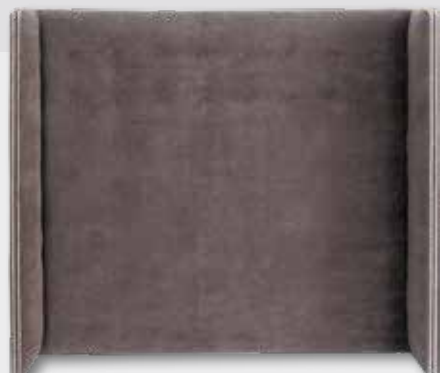

Burgess Edge to Edge Shallow Divans incorporate a spring system within a firm timber edge construction. The advantage of this is to firm the edges of the mattress above, avoiding the 'roll off' feeling, whilst ensuring optimum edge to edge comfort & support over the full width of the sleeping surface. For a more contemporary appearance, Burgess Edge to Edge Shallow Divans are also available on a choice of wood and metal legs, with or without castors

- 15cm (6") deep solid timber frame
- Inset open coil spring construction
- Split East to West up to 160cm.
180cm split North to South
- Hidden linking and upholstered split cover
- A choice of feet available as shown on back
- Using timber from sustainable forests
- Ten year guarantee
- Full choice of beautiful upholstery fabrics or C-O-M
- Standard UK headboard fixings

Headboards

Burgess presents a stylish collection of classic and contemporary luxury headboards that perfectly complement our divans.

All headboards are available in a range of colours and finishes.

MARIETTA

BEDDING COMPANY LIMITED

Burgess Beds' superb Divan Collection - a range of stylish classic and contemporary divans designed to perfectly complement a variety of bedroom environments.

All Burgess beds are hand crafted in Great Britain and such is the confidence in our materials and craftsmanship, all products carry a ten year guarantee.

Burgess

The timber used in the construction of our bedsteads, headboards and divans is FSC® certified.

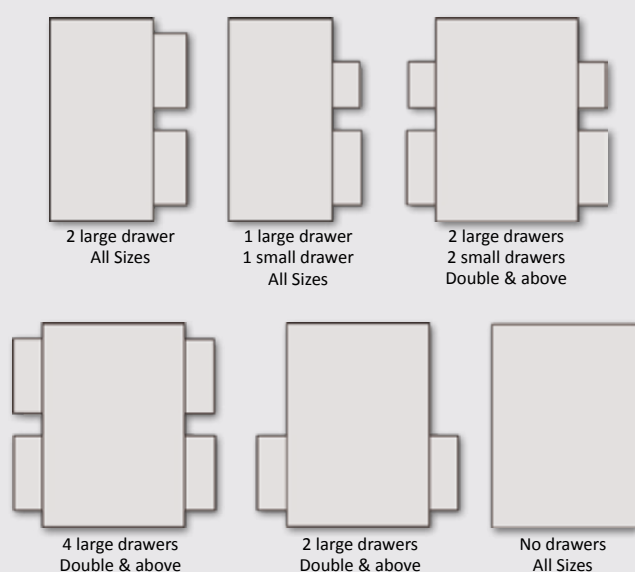

DIVAN COLLECTION

Burgess Edge to Edge Divans incorporate a spring system within a timber edge construction. The advantage of this is to firm the edges of the mattress above, avoiding the 'roll off' feeling whilst ensuring optimum edge to edge comfort & support over the full width of the sleeping surface.

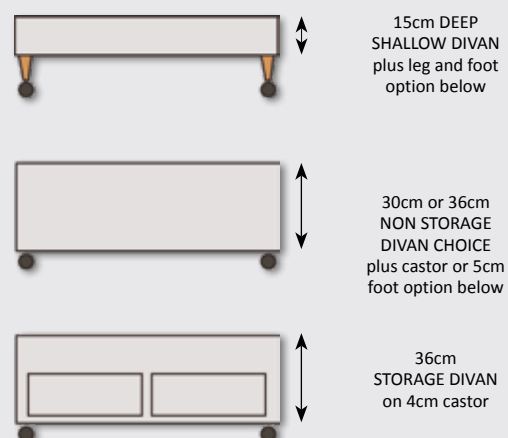

There is no difference in comfort if a drawer option is selected as the spring is the same depth.

- Double and King sizes are split East to West
- Superking Sizes are split North to South
- The linking system is hidden and is a latch on system
- The split is hidden by an upholstery flap
